INFORMATION SHEET

Making God's Goodness Known - Educating For Life

Sisters of Notre de Namur
Holy Family Catholic Academy, 1956-1987

Holy Family Catholic Academy and Early Learning Center is a Christ-centered school dedicated toward educating our students for the 21st century. We recognize the uniqueness of each student and strive towards the development of their full potential as successful individuals. As educators we maintain high academic standards by nurturing, encouraging, and showing respect to our students and each other. As a Catholic community, the foundation of our school is based on the precepts, traditions, and values of the Catholic Church. Holy Family Catholic Academy and Early Learning Center is a dedicated school community that supports use of individual gifts and talents to emulate Jesus and to live like Disciples of Christ today and in the future.

CURRICULUM

The faculty has been trained to incorporate the **Cooperative Learning Model** that teaches for understanding and highly ensures student learning. Our values-based curriculum is based on developmentally-appropriate National Standards for early childhood education. It also aligns to the expectations of the Kindergarten Program at Holy Family Catholic Academy.

The areas of Faith Formation, Character Development, Social & Emotional Development, Phonemic Awareness, Writing, Math, Science, Life Skills and Physical Education are all covered using themes as the base for our curriculum. *(Various resources and projects are used to create a creative and emergent curriculum)*

MISSION

Holy Family Catholic Academy and Early Learning Center dedicates its focus on the personal growth of each child by teaching Catholic Doctrine, building community, and providing service to others, always striving to realize each student's individual learning potential by supporting multiple experiences for successful life-long learning.

In addition, the Early Learning Center provides a high quality, developmentally-appropriate, early learning preschool program. Children are offered multiple positive experiences in an environment that is safe, nurturing, spiritual, stimulating, and staffed with educated and professional teachers that love working with the children and their families.
