

# Military and DoD Child Care Assistance

Child Care Aware® of America is proud to partner with the United States Military and Department of Defense to serve and support their families through the Child Care Fee Assistance Programs.

## What programs are available?

The following programs are currently offered through Child Care Aware® of America:

- Air Force Fee Assistance
- Army Fee Assistance
- Marine Corps Fee Assistance
- Navy Fee Assistance
- National Geospatial-Intelligence (NGA) Agency Fee Assistance

Eligibility varies by program, so please go to <https://usa.childcareaware.org/families-programs/> for more information on eligibility and how to apply.

## Where can I get more information?

In addition to reviewing the information above, we encourage interested families to call before applying. To speak with a specialist about the military and DoD child care programs, please call **1(800) 424-2246, option 6**. Child Care Aware® of America's military and DoD programs are open Monday through Friday, 8:00 am to 7:00 pm Eastern Time.

The Child Care Aware® program assists all families with finding and choosing quality child care. We also offer help locating child care resources in communities across the country. For help finding eligible child care, to learn more about the military and DoD child care programs or for questions about selecting quality child care, please give us a call!
